## MESSAGE FROM THE CEO

### Dear Educator,

It is an absolute pleasure to connect with you. 2022 is the year of learning and we have handcrafted some unique programs for your students. These programs have been designed with a special impetus on field work, company visits and discussions with industry experts. Of course, there is a leisure element on these trips and we ensure that the program attains a good balance between work and play.

Topics covered in these getaways include:

- Business & Economics
- Classic & Archaeology
- Geography and Heritage
- History & Politics in Europe
- Language & Culture
- Leisure & Tourism
- Nasa Tours- Space Science
- Wildlife Habitat

Look forward to hearing from you and planning your next Learning Offsite!
